4. Interview with PVPUSD representatives

Boeing Summer Internship Application

For PVPUSD students

APPLICATION DUE: **March 26th** - return to Mrs. Sunada at sunadac@pvpusd.net

Boeing Vision

Build and promote innovative learning environments focused on science, technology, engineering, and math.

Boeing Mission

Provide PVPUSD students the opportunity to fulfill academic requirements through an unpaid internship that offers hands – on experience and increased exposure to science, technology, engineering, and math.

Boeing Strategies

Boeing engineers guide, inspire and mentor future engineers.

Boeing Objectives

- Provide students learning opportunities for technical skill-building, networking, and presentation skills through special projects, training or other assignments
- Introduce students to various engineering careers and exposure to Boeing products
- Encourage the engineering workforce to mentor high school students and provide positive learning experiences through assignments/projects, mentoring and increasing knowledge of Boeing's products

Program Details

- Unpaid Internship
- Duration: 8 weeks (June 21st – August 5th) must attend last day of internship or no credit
- Attendance: no more than 3 consecutive days absent are allowed
- Total required internship hours: 125-150 hours
- Work day hours: Defined and agreed upon by Boeing mentor and student intern
- Location: El Segundo or Online pending current health regulations
- Transportation- student must provide his/her own transportation
- Assignments- various assignments by PVPUSD Coordinator (*required for academic credit*)
- 10 credits issued with a letter grade

Questions

Contact Mrs. Sunada, Internship/Work Experience Coordinator at sunadac@pvpusd.net

Application

DUE: March 26th, 2020

Student name: _____ Grade: _____ Date: _____

Student address: _____

Phone number: (H) _____ (C) _____

Birthdate: _____ U.S. Citizen*: Yes No
*(*Boeing requires interns to provide proof of U.S. citizenship. All interns must be at least 16 yrs. of age and be a U. S. Citizen)*

Are you currently a **junior** in good standing (Attendance, Discipline, Citizenship and Grades)?
Yes No (If no, please explain)

Do you have any summer commitments that will interfere with your availability for this internship (Commitment required: late June - early August 4-5 days a week)?
Yes No (If yes, please explain)

Overall GPA _____ weighted / _____ un-weighted SAT or ACT Math Score _____

Are you enrolled in the SMERT program?
Yes No (If yes, what courses have you taken?)

What Science, Math and Engineering courses have you taken?

Do you have a connection to anyone who works for Boeing? (i.e. mother, father, relative or neighbor) If so, what is their name, relationship to you, and position at Boeing?

On a separate piece of paper, please answer THREE (3) of the following questions:

1. Talk about a time when you had to work closely with someone whose personality was very different from yours.
2. Give an example of a time you faced a conflict while working on a team or with a group. How did you handle that?
3. Describe a time when you struggled to build a relationship with someone important. How did you eventually overcome that?
4. We all make mistakes we wish we could take back. Describe a time you wish you'd handled a situation differently with a peer.
5. Describe a time you needed to get information from someone who wasn't very responsive. What did you do?
6. Describe a time you were under a lot of pressure. What was going on, and how did you get through it?
7. Give an example of a time when you had to think on your feet in order to delicately extricate yourself from a difficult or awkward situation.
8. Describe a time you failed. How did you deal with this situation?

In addition, please make sure to:

*Attach an unofficial transcript.

*Attach a resume that includes any Math, Science and Engineering courses you have taken thus far. In addition, include any volunteer, internship or work experience.

Student Signature _____ Date: _____

Parent/ Guardian Signature _____ Date: _____
