

Walk for Life

On February 28, 2025 hundreds of Peninsula students and faculty will be lacing up their sneakers to raise money for the fight against cancer. PVPHS is looking for community sponsors for our 23rd annual cancer fundraiser, The Walk for Life. This annual event raises funds for cancer support and research. We are asking for your help in raising funds because we think it's important that we all join together to help with this incredibly important cause. Please join us in the fight against cancer!

Proceeds from this event will go to *Pediatric Cancer Research Foundation* and *The Cancer Support Community*. The mission of the Pediatric Cancer Research Foundation is to fund research to power cures that reduce the percentage of children who perish from cancers until that number reaches zero. The Cancer Support Community is an international non-profit organization dedicated to providing free support and education to those with cancer as well as their loved ones. Both organizations have a mission to nurture and care for those with cancer along with their families.

We are proud to say that last year's Walk for Life raised over \$40,000! With your support we are confident we can meet and beat that number this year!

Please support this cause by making a tax-deductible contribution in any amount you choose. Families or companies donating \$150 or more are considered a "Sponsor" and are entitled to have their name or logo on the back of our Walk for Life T-shirts if your contribution is received by Friday, January 31, 2025. If you would be so kind as to donate any amount, please fill out the portion of this letter and mail it in along with your donation. Your donation, big or small, will help save the lives of many.

Thank you for your consideration. We hope you will join us in supporting the fighters, admiring the survivors, honoring the taken and never ever giving up hope for a cure!

With gratitude,
PVPHS ASB and WFL Ambassadors
